Dear Sir/Madam

Thank you for your enquiry regarding holding an outdoor event in Portsmouth. I have enclosed a copy of our Event Application Form, which requires completion before an event being held on Portsmouth City Council land can be considered. This allows us to ensure that your event will be run safely and sensibly, adheres to all legal and licensing requirements and to check that the venue you wish to use is available and that the event will not clash with any other activity in the city.

Please complete every section of the form where applicable and provide as much information about the event as you can. Once completed, please return the form to the above address at least 6 weeks prior to the event, or at least 12 weeks prior if the event includes activity on the Public Highway. If forms are not received at least 6 weeks before the event permission can be refused.

Information regarding your event will be circulated to other Portsmouth City Council departments such as Traffic Management, Pollution Control Team, Licensing and Health & Safety and external organisations such as the blue light services who may be required to be involved with your event, or require further information.

Once we have considered your application and all required documentation has been received, if approved, you will be informed by letter or email.

Yours faithfully
