## Welcome to the Created in Portsmouth Art Trail 2019

Welcome to the seventh year of Created in Portsmouth. Last year proved highly successful for all those artists taking part and this October we have over 50 artists on board increasing the diversity of work available for you to see and enjoy across the 29 open venues.

Keep an eye out for the blue and white balls and bunting hanging outside our venues, here you will find some fantastic work created by local artists!

# CREATED IN PORTSMOUTH

Created in Portsmouth is an annual Art Trail that takes place on the Island of Portsea. Local artists and makers will be opening their studios and homes to the general public. You can walk, cycle or even drive the trail to meet the artists and see the fantastic work they produce.

This is a free event and a great opportunity to see and get to know the amazing creativity we have on our doorstep. Please be aware that opening times vary for each venue. Use this guide to plan your route, check times, access and any other details.

2019 is our 7th trail and we would love if you could make it!
